

TWO INJURED IN PAIR OF SUNDAY AUTO ACCIDENTS

Three automobiles were involved in an accident on the Emmitsburg Rd. Sunday afternoon at 12:15 o'clock, in which one person was injured. Another person was injured in an accident on the York Springs-Hanover Rd. seven-tenths of a mile south of Cross Keys at 8:30 p.m., state police reported.

Police said James S. Kramer Jr., 22, of Washington, D. C., was driving north on the Emmitsburg Rd., skidded across the west side of the highway and struck the parked car of Robert Joseph Swartz, 29, of Syracuse R. 2, N. Y. Then the Kramer car struck one operated by George E. Booth, 35, of Belleville, Ont.

Kramer was charged by state police with failing to yield one-half the highway. He posted \$13.50 fine and costs with Justice of the Peace John H. Basehore which he forfeited by his non-appearance today.

Booth, according to state police, was traveling south, but had stopped the car before it was struck by the Kramer vehicle. Lila Kramer, 21, of Washington, suffered contusions of (Continued on Page 7)

Pilot Seals Off Big Red Convoy

SEOUL (AP)—A quick-thinking Australian fighter-bomber pilot bottled up a long Communist supply convoy today and paved the way for one of the biggest truck-busting forays of the Korean War.

The U. S. Fifth Air Force said more than 100 vehicles were destroyed or damaged in a climactic air strike that followed a day-long series of air blows against Red targets.

Warrant Officer Bob Turner of Adelaide spotted a mile-long Communist convoy south of Wonsan on North Korea's East Coast. He roared to the head of the line and blew up the first two trucks with an attack dive. Then he circled back and got the last four.

The Reds were stalled on a narrow road, a steep drop on one side, a sheer drop on the other. More Aussie Meteor jets and U. S. Marine and Air Force warplanes dived in to attack the trapped trucks. They darted up and down the line, setting off gasoline fire and explosions.

Two Are Fined Today For Disorderliness

Clyde and Harvey Miller, aged 22 and 27, respectively, Biglerville R. D., were fined \$10 each and costs on disorderly conduct charges this morning by Justice of the Peace Martin T. Walter, Biglerville R. D. The two had been picked up by Gettysburg borough police late Saturday night and placed in jail over the weekend to await the hearing. The arrest was made on warrants after the two had allegedly gone to a farm house and urged the tenant farmer's wife to come out. When the urging included loud horn blowing, yelling and other noise, Fred Baker, the owner of the house, who lives nearby, brought the disorderly charges against the two men.

Here And There News Collected At Random

The southernmost railroad in the world extends from Puerto Desado, on the Atlantic Ocean, about 600 miles from Cape Horn to Las Heras in the wilds of Patagonia. It has a gauge of five feet six inches and is owned by the Argentine Government. A single-track line without connections with any other road, it has no interchange, per diem, joint rates, or interline ticket problems.

It is a little-known fact that Eddie Rickenbacker had a short railroad career before becoming famous as an automobile speedster and later an airlines executive. Starting in 1906, he was employed for about a year by the Pennsylvania Railroad as a car builder's helper in the shops at Columbus, Ohio.

What is probably something of a record for a message "detour" happened "way back in 1904. An international express train derailed at Milford, Nova Scotia, rolled down an embankment and carried a number of telegraph poles and wires of the Western Union, breaking communication with Halifax.

The Western Union superintendent at St. Johns, New Brunswick, had an important message to send to the company manager at Halifax, 278 miles away. For this message to reach its destination, it (Continued on Page 4)

EARL E. ZIEGLER IS HONORED BY PHI DELTA THETA

Pennsylvania Beta Chapter of Phi Delta Theta fraternity, Gettysburg College, at a banquet held Saturday night in the fraternity house on the college campus, paid honor to Prof. Earl E. Ziegler for his 17 years as chapter advisor by presenting him with a gift of \$400 from Alumni Phi Deltas and a gold watch from the active members.

The banquet was held in conjunction with the Inter-Fraternity Weekend at the college. J. Bradley Taylor was chairman of the Ziegler Testimonial Committee.

Mr. Ziegler, associate professor of mathematics at the college, became advisor to the fraternity in 1935. He retired as advisor at the close of the 1952 school year. "We feel that this is our opportunity to show 'Zieg' that his 17 years of devotion to us have not gone unnoticed," said Chairman T. J. Yor. "We feel that such a cause as this deserves the 100 per cent appreciation of all Phi Deltas whose college life was enriched by the work of this truly great Phi."

Lists Accomplishments

The fraternity listed some of Prof. Ziegler's accomplishments during his 17 years as advisor as follows: 1939, paid off \$9,000 mortgage; 1939, built addition to house at cost of \$4,200; 1945, laid front sidewalk at cost of \$450; 1946, renovated dining room and kitchen at cost of \$3,300; 1950, new porch roof, \$500.

A house mother was employed in 1945. As secretary-treasurer of the Phi Delta Club, Prof. Ziegler assisted in collecting \$8,000 from the alumni, and was responsible for sending out the Phi Delta letter three times a year. He served as treasurer of the trustees of Pennsylvania Beta since 1940 and as Phi Delta Theta's representative on the Inter-Fraternity Alumni Council in its organization in 1935.

"Professor Ziegler guided the chapter to its present high rank on the campus, as is evident by these accomplishments," Mr. Taylor said. "Since 1947 we have (Continued on Page 2)

COUNTIANS RUSH TO FILE PAPERS AS CANDIDATES

Numerous candidates seeking "last minute" signatures for nominating petitions which had to be filed by 4 o'clock this afternoon were active throughout the county today.

With more than 800 candidates needed for all of the offices to be filled in the county this year, the county election board was doing a "land office" business this morning and afternoon receiving petitions from numerous countians up to the 4 p.m. deadline.

A Democratic candidate for clerk of the courts, Cyril F. Weaver, McSherrystown, filed this morning. Frank Slonaker, Gettysburg, filed as a Republican candidate for the same post. The other candidate for Republican nomination as clerk of courts, Kenneth Johns, Gettysburg, had previously filed his petitions.

Draw Positions March 23

Meantime the election board set Monday, March 23, at 1:30 p.m. as the time for the candidates to draw for the positions on the ballot. Following usual custom, the candidates may be present to draw their own number for a place on the ballot, may designate someone in writing as their agent, or can let the election board select someone to represent them. Normally only the county candidates appear for the drawing.

Among those who filed petitions earlier this morning were Walter C. Spicer, Gettysburg R. 4, Republican, for supervisor in Straban Twp.; Paul Crum, Benderville, Republican, for school director in that borough; Nelson F. Kane, Benderville, Republican, for council in that borough; Donald G. Wenk, Aspers R. 1, Republican, for inspector of elections in Menallen Twp.; Melvin C. Herring, Cashtown, Republican, for constable in Franklin Twp.; George G. Yealy, New Oxford R. D., Democrat, for assessor in Oxford Twp.

The following Democrats filed for offices in New Oxford: Paul H. Harbaugh, council; Fred G. Klunk, council; David G. Seabright, judge of elections, and Cletus J. Billman, council.

IFC WEEKEND CLOSES WITH CLINE ADDRESS

The eighteenth annual Inter-Fraternity Weekend at Gettysburg College came to a close on Sunday morning, when Dr. Thomas Cline, former professor of English at the college and presently secretary to the Board of Pensions of the United Lutheran Church, addressed fraternity men at a chapel service in Brua Chapel.

"What Do You Really Believe?" was the question Dr. Cline posed to the group and analyzed it in terms of the college man's beliefs and commitments. He stated that people prove themselves not by what they say but by their performance based on profound powers of choice and of discernment of right and wrong. Among the commitments that the college man makes, Dr. Cline listed commitment to honor, the Ten Com (Continued on Page 2)

SAYS REDS HAVE SECOND MOST POWERFUL NAVY

LONDON (AP)—Russia has the world's second most powerful navy and is building more cruisers than all the North Atlantic Treaty powers together, Britain's first lord of the Admiralty said today.

J. P. L. Thomas, introducing the navy estimates for 1953-54 in the House of Commons, said: "The increase in speed of the Soviet naval construction program has been very remarkable of late."

"At present it includes many destroyers and submarines while more cruisers are now being built annually than by all of the NATO forces combined."

Thomas added that Russia has about 20 "very powerful" cruisers, more than 100 destroyers and more than 350 submarines.

Big Navy Air Force
"Russia also has a powerful naval air force. It is no use blinding ourselves to the fact that there is a very strongly armed and efficient Soviet navy," the minister said.

Most of these forces are concentrated in the Baltic and northern areas, Thomas told Parliament.

Thomas said in a few years time the Royal Navy will seek bigger funds to step up the construction of modern new warships. But for now, he added "we have to see, to the best of our financial ability" that Britain's navy is fully prepared in case "war in all its modern beastliness should come."

Priority is being given to ships for mine-sweeping, anti-submarine duties and on the completion of aircraft carriers, he said.

369 GIRL SCOUTS

mediate Troop 9, Gettysburg; songs, Senior Troop 14, Littlestown; song, Intermediate Troop 33, Fairfield. The auditorium program opened at 12:45 p.m. with Mrs. Mildred Pittenturf, York Springs, as announcer. The first number was a flag ceremony, by Troop 37, Gettysburg, Rita King, Sara Snyder, Patty Harman, Sandra Woodward and Mary Bosley taking part. This was followed by the Pledge of Allegiance and the singing of one verse of the Star Spangled Banner, the reciting of the Girl Scout and Brownie promises and retirement of the colors.

Explains New Badge

Miss Elizabeth Taylor, New Oxford Girl Scout who will receive the Curved Bar award in forestry in May at the New Oxford Court of Awards, was introduced by Mrs. Pittenturf, and explained the new government badge and requirements for winning it. They include a study of the constitution and familiarity with the conduct of affairs of local, state and national governments.

Burgess Weaver told of the operation of the local and county government, and invited the Girl Scouts to go to the Court House and familiarize themselves with the workings of county government. He said authorities, both borough and county, would be glad to cooperate.

"The study of our democratic form of government is a very good way to combat communism," Burgess Weaver said.

Present Contributions

Miss Judy Crowl was announcer for the presentation of contributions to the World Friendship Fund, which was explained by Mrs. Pittenturf. A large globe of the world was placed on the stage of the auditorium and Peggy Smith, Brownie Troop 36, Gettysburg; Marilyn Culp, Intermediate Troop 7, Gettysburg; and Alvina Grot, Senior Troop 14, Littlestown, stood at attention as representatives of the troops mounted the stage with their units' contributions.

The program closed with the singing of "Taps."

The morning program was held in the high school gymnasium and the afternoon ceremonies in the auditorium. Members of the committee in charge were: Mrs. Raymond F. Sheely, council president; Mrs. Kilia, Mrs. Pittenturf, Mrs. Norman Richardson, Mrs. Floyd King and Mrs. Hardy Nichols.

FIRST THUNDERSHOWER

The first thunderstorms of the year occurred here Sunday evening near the end of a series of Sunday rains that amounted to a total of 1.08 inches here. The rain followed two days in which the mercury had climbed into the high 60's.

HARRISBURG (AP)—The Pennsylvania Federation of Sportsmen's Clubs, representing almost 200,000 outdoorsmen of the state, holds its semiannual convention here Friday and Saturday.

ASKS FOR SANE ADOPTION LAW

HARRISBURG (AP)—The bishop of the Harrisburg Roman Catholic Diocese today called for child welfare legislation which would not "be worse than the disease."

"We of the Catholic Church, with our numerous child-caring institutions throughout the state are particularly interested in sane legislation on adoption," said Bishop George L. Leech in a statement over the weekend.

"But in framing our adoption laws there is a pitfall which Pennsylvania must avoid at all cost. The cure must not be worse than the disease."

Bishop Leech said he opposed any legislation that would "renew any of our freedom by enacting a dangerous and unnecessary extension of the police power."

He referred to a specific bill in the Legislature but did not identify it. One pending measure would require all adoption agencies to be certified by the State Welfare Department. Another would enlarge the jurisdiction of orphan courts in handling adoption cases.

BUCHANAN GIVEN LIGHT SENTENCE

WASHINGTON (AP)—Sidney Buchanan, former Hollywood writer-producer today was fined \$150 and given a one year suspended sentence for snubbing a House un-American activities committee subpoena.

He could have been jailed for a year and given a \$1,000 fine.

Once one of the nation's leading producers and writers of Hollywood films, Buchanan has been out of the motion picture scene since he became involved in the House committee's probe for Communist influences in Hollywood.

Buchanan, an admitted former Communist, was convicted of contempt of Congress last Thursday by a U. S. district court jury.

"HEROES" FORM HONOR SOCIETY

NEW YORK (AP)—It was probably the biggest aggregation of America's most-honored brave men.

They gathered—94 of them—for the first national meeting yesterday of the newlyformed Congressional Medal of Honor Society, made up of holders of the nation's highest decoration for valor.

Lt. Gen. Leon W. Johnson, chief of the Continental Air Command who was elected president, described the objectives: Comradeship and worthy causes. But no political pressuring.

The 94 men, who came from every state in the union, made up a third of the estimated 285 medal of honor holders alive today.

Want Deeds From Russia, Not Words

LONDON (AP)—Britain is more interested in the deeds than the words of the new Russian government, a Foreign Office spokesman declared today.

Asked at the regular news conference to comment on the address by Russian Prime Minister Georgi Malenkov yesterday, the spokesman said:

"We have heard similar speeches before. It is a new government, however, and naturally we shall be interested to see if their actions are different from previous governments."

BONN, Germany (AP)—West German Chancellor Konrad Adenauer said today the free world should demand proof in the form of deeds from Moscow before accepting at face value the "peaceful policy" talk of new Soviet Prime Minister Georgi Malenkov.

General Gruenther Arrives From Europe

WASHINGTON (AP)—Gen. Alfred M. Gruenther, Allied chief of staff in Europe, flew here today to see President Eisenhower and defense officials.

In response to questions from reporters Gruenther said it was "too early" to tell whether the shooting down of two Allied planes by Red fighters last week was evidence of a tougher Russian policy or the action of "over zealous" pilots.

Airliner Leads Plane To Safety

ITHACA, N. Y. (AP)—Four persons, whose light plane had become lost in a heavy overcast, were led to a safe landing here by an airlines crew.

The light plane came to this area from Harrisburg, Pa., Saturday afternoon. Pilot Paul Konhaus of Mechanicsville, Pa., said the group had planned to refuel at the Che-

mung County Airport in Elmira. However, Konhaus said, they were unable to find the field because of the overcast, and ran low on fuel.

A plane dispatched from Elmira by Mohawk Airlines led the Pennsylvania craft, which was nearby, northwest over Cayuga Lake to the Cornell University airport here, where the ceiling was higher. The ship's passengers were bound for Watertown. Their names were not available.

New Oxford VIGIL SERVICE TO RENEW OLD CHURCH CUSTOM

A vigil service that was a custom of the early church will be re-stored at New Oxford's Immaculate Conception Catholic Church Holy Saturday night, preceding a "midnight mass" Easter Sunday morning.

Rev. Fr. Philip Gergen, pastor of the church, said the services to be held during the vigil will be those which have been held previously Holy Saturday morning in the back of the church.

The Holy Saturday Night vigil preceding the anniversary of the Christ's resurrection from the dead on Easter Sunday was a custom throughout the early church, Father Gergen said. Later the custom was abandoned and the services previously held during the vigil on the night before Easter were conducted during the morning of Holy Saturday.

First In This Area
Last year Pope Pius granted permission for pastors to hold the services at the traditional night hour with approval by their local bishop. The services were held in several churches throughout the Harrisburg diocese, including Carlisle.

This year the Pope extended permission to hold the night services and midnight mass on Easter morning for a three-year period. The New Oxford parish is the first in this section to announce such services for this year.

Two Jesuit priests will assist Father Gergen with the Holy Week services at New Oxford. Parishioners will participate in the vigil with responses in Latin. Pamphlets containing all of the prayers in English, together with the Latin responses will be available for those attending.

The service will begin at 11 o'clock Holy Saturday night with the blessing of the new fire, according to traditional custom, just inside the church doors.

Masses On Easter
After that the priests and altar boys will form a procession to the sanctuary where the remainder of the hour long vigil service will be conducted. Included will be the blessing of the Paschal candle, the reading of the prophecies and the renewal of baptismal vows by the congregation. Immediately after midnight mass will be begun.

Father Gergen explained that the vigil and mass are part of the same service and that those attending should arrive before 11 o'clock to take part in the vigil.

For those wishing to receive Holy Communion at the midnight mass the Eucharistic fast, forbidding the taking of any food or drink except plain water, begins at 10 o'clock Holy Saturday night.

The usual masses on Easter Sunday morning, beginning with a high mass for the children at 7:30 o'clock, are to be scheduled as well, according to present plans, Father Gergen said.

IKE SAYS DAD IS BOSS; HOME IS FAMILY SCHOOL

PHILADELPHIA (AP) — President Eisenhower said today "It is an old but unchanging truth that the father represents authority in the home."

Eisenhower made the comment in a message to the 21st Annual Convention of the National Catholic Conference on Family Life. It was made public here at the start of the three-day sessions.

The President, in a letter to the Rev. Edgar Schmiedeler, director of the Family Life Bureau, Washington, said he "noted with interest that the general theme of your convention is 'The Father, the Head of the Home.'"

"It is no less true that members of a family who learn and live by wholesome respect and authority in the home qualify as citizens who know genuine respect for public authority," the President said.

"In this sense, the respect and authority deserved and commanded by the father are the source of respect for law itself in society at large."

The Most Rev. Amleto Giovanni Cicognani, Apostolic delegate to the U. S., speaking at the Pontifical Mass which opened the convention at the Cathedral of St. Peter and Paul, declared "The house is the family school and there is no substitute for it."

"There the father must preside; there he teaches; there he gives his personal imprint to the education of his children," Archbishop Cicognani said.

The Rev. Mr. Koons announced that the South-east Central Christian Endeavor District will hold its annual fried chicken banquet in the Pleasant Hill fire hall, Saturday, March 21, at 6:30 p.m. Those who plan to attend from Christ Church should make reservations through Mervin K. Myers. Other announcements included: All public school students of the community are invited to attend the youth Lenten devotions in Redeemer's Reformed Church on Wednesday morning, 8:15 a.m. The devotions will be in charge of the young people from St. James' Church and St. Luke's Church. The catechetical class of Christ Church will meet on Saturday afternoon at 1:30 o'clock at the church.

The Bob White Patrol will be in charge of the program at the weekly meeting of Boy Scout Troop No. 84 on Wednesday evening at 7:30 o'clock in the basement of the Littlestown State Bank building. The boys of the troop are reminded to continue to study the signalling code, in order to be advanced to a first class scout. Future activities being planned by the troop include: Saturday, Mar. 21 and 22, first camp of the year at Camp Conewago; paper drive near the end of the month; Appalachian Trail hike the last week in April; canoeing trips as soon as the weather is warm enough.

The Community Service Committee composed of Donald Z. Mann, chairman, Nevaeh A. Crouse, Richard A. Little, Thomas C. McSherry, Luther W. Ritter and Charles M. Weikert will be in charge of the program at the program at the weekly meeting of the Littlestown Rotary Club on Tuesday evening at 6:15 o'clock at Schottie's Hotel.

MAD FILIPINO MURDERS TWO

MANILA (AP)—The deputy governor of Sulu Province and his grandson were hacked to death Sunday by a Filipino Mohammedan who went berserk because his wife refused to return to him, the Philippine News Service reported. Five others were seriously wounded before Kasim Padjung, the crazed Moro, was shot and killed by police.

The incident occurred in the governor's residence in Jolo City. Kasin, the news service, said, went to the governor's house to wait

The Death Warrant: The Sheriff of this county, John Scott, Esq., this evening received from the Governor the warrant for the execution of James Green, who was sentenced to death at the January Court. The execution is to take place on Friday the 15th of April.

It is generally known to the public, we presume, that public executions have been abolished, and that the death penalty is to be inflicted within the jail yard, in the presence of the Sheriff and Coroner, a physician, the attorney general, or deputy attorney general of the county, and twelve reputable citizens, to be selected by the Sheriff. Two ministers of the gospel, any of the relatives of the condemned, and other officers of the prison may also be present, but no other person. No one under age can be permitted to witness it.

We learn that the Sheriff intends to perform the unpleasant duty, in strict accordance with the law.

Change of Mail-day: We are requested to say that the mails for Bendersville, Arendtsville, and Menallen, will leave the Gettysburg Post Office hereafter on Tuesday mornings instead of Wednesday.

RETURN
It's getting on to spring again. The birds are on the wing again. Old Mother Earth is yawning now.

And stretching in her sleep. The robins soon will call again. And high upon the wall again. And up and down the window frames. We'll see the ivy creep.

The tulips red and white again. Will make a lovely sight again. And in between the shrubbery. The daisies soon will gleam. The daisies soon will grow again. Wherever mortals go again. And flower and fern will grace the banks. Of every running stream.

The skies will soon be blue again. The trees in garments new again. Will cast their shadows on the grass.

Where little children play. As April warms the earth again. The flowers will come to birth again. Like smiles that follow all our fears.

When trouble fades away.

Today's Talk

By GEORGE MATTHEW ADAMS

THE RED CROSS
There is no more noble and humanitarian organization in the world than the Red Cross. This is Red Cross month and the American Red Cross has placed as its objective the raising of \$93,000,000. But the Red Cross is not confined to one country. It is worldwide. Wherever there is need of human service and comfort, there you will find a kindly hand of the Red Cross on duty!

The Red Cross reaches out everywhere — into homes, hospitals, battlefields or wherever tragedy strikes. Right now the organization is not only calling for record funds to carry on its important work, but it needs blood. You who can give blood, do so, for the call never has been so urgent. How many have been brought to health again because of the generosity of scores of healthy human beings. And many a soldier blesses his unknown benefactors. Contact any Red Cross station and make arrangements to give your blood.

Not everyone can give his or her blood, but we can all give money, so greatly needed right now. Every bit, no matter how small, adds up. Many a child and many a soldier will bless you silently for aid given at a critical time. The helpful hand of the Red Cross reaches far and wide. Through its selfless nurses it brings to many a bedside the warm and kindly sympathy of those who feel for others in distress, and who understand.

At critical times often just a word spoken, or the press of the hand, may mean more than any medicine. All barriers are brushed aside when the Red Cross enters upon its duty and privilege. It's an understanding world then, on the part of nurse, doctor, or other attendant. Give of your substance. Give today. Think of the cheer and hope that your blood or dollars are sure to bring to the many served by this God-inspired organization.

Tomorrow Mr. Adams will talk on the subject: "Out, Out, Out!" Protected, 1953, George Matthew Adams Service

property of the same, to J. J. Kline, for \$200.

The National Soldiers' Orphan Homestead in Gettysburg, to Messrs. Isaac Herter, Henry J. Fahnestock and Geo. B. Stover, for \$3,100.

Improvements: Mr. Wm. Boyer is arranging to remove the old frame shops facing on Chambersburg street, between his store room and the residence of A. D. Buehler, and substitute a two-story brick building with open front for business purposes. It will be occupied in part by W. H. Tipton & Co. for a Daguerrean gallery, and in part by Mr. Faber for a Cigar Store.

Col. C. H. Buehler is putting up a two-story frame warehouse, 18½ by 48, on his grounds opposite the passenger depot, to be occupied by James Bigham for Agricultural Implements.

Messrs. A. D. and C. H. Buehler will put up a frame building on their property on Carlisle street, just beyond the borough line, to be occupied by Charles J. Tyson, for storing and selling phosphates.

Personal: Rev. Charles T. Durbin, son of the late Samuel Durbin, has been assigned to Pleasanton, Linn County, Kansas, in the bounds of the South Kansas Methodist Episcopal conference.

We regret to learn that Rev. Wm. A. Clippinger, pastor of the Methodist E. Church, is suffering from too close study and labor, and that he will be obliged to suspend active ministerial duties for at least a year. This will necessitate a change in the pastorate of the church here. Mr. Clippinger is an acceptable preacher and has made a favorable impression in this community.

EINSTEIN HAS NEW THEORY FOR PHYSICAL LAW

PRINCETON, N. J. (AP) — Prof. Albert Einstein, taking a rare break from his customary seclusion, discussed yesterday his new theory which aims at explaining all physical laws.

The new unified field theory is mathematically correct, the white-haired scientist told a news conference, but he has "not been able to find out if there are any physical truths in it."

What's more, Einstein said he has not been able to determine whether the theory "is true in the ordinary sense of the word."

The news conference was held in connection with an announcement naming a new college under Jewish auspices as the Albert Einstein College of Medicine.

Honored On Birthday
Einstein, who was 74 Saturday, was honored at a luncheon where he was notified formally about the college being named for him. The college, to cost 10 million dollars, will be part of Yeshiva University and will be built in the Bronx, New York, as part of the first unit of a 25-million-dollar medical center.

Then came the news conference, accompanied by the flashing of photographer's bulbs and the humming of newsreel cameras.

Einstein's new theory seeks to explain, in mathematical equations, everything from single atoms to the universe—to tie together in one equation all the truths and forces of gravitation, magnetism and electricity.

"There is a mathematical way of showing which laws are mathematically correct," he said. "The meaning is to define the general field theory. The mathematical difficulty is to find out if the whole theory has to do with nature—if it is true in the ordinary sense of the word."

But the conference was not spent solely in discussing the new theory. Reporters took the opportunity to ask the bushy-haired, gentle-faced scientist some personal questions.

Asked why he became a scientist, Einstein said he saw a compass when he was five, and learned about plane geometry when he was 12 — and that these "stimuli" apparently "had a considerable influence on my development."

3 Hagerstown Men Tell
How Espionage Netted Jet

HAGERSTOWN, Md. (AP)—A former Maryland governor revealed Friday night how he and two of his wealthy business friends took a financial flyer in free-enterprise espionage which robbed the Communists of a top-secret jet fighter plane.

The amazing financial venture of three highly respected and widely known American businessmen into the cloak-and-dagger land of Eastern Europe espionage circles caused a series of diplomatic upheavals between the Danish government and enraged Polish officials.

The businessmen, all officers of Fairchild Aircraft Company here, are former Gov. William Preston Lane Jr., a member of the Board of Directors; Richard S. Boutelle, president of the firm; and Arthur F. Flood, executive vice president.

Colonel Was Master-Mind
A retired Army officer, Col. Ullus (Pete) Amoss, who lives on Gibson Island, a quiet little retreat about 20 miles southeast of Baltimore, master-minded the plan.

The scheme, which began about a year ago, was climaxed March 5 when a Polish Air Force lieutenant landed on the Danish-owned island of Bornholm with a Soviet-built MIG-15 jet fighter plane.

The American businessmen were said to have put up about \$10,000 to finance the phenomenal project.

3 Hagerstown Men Tell How Espionage Netted Jet

One member of the spy group said Col. Amoss, who formerly headed the Eastern European Division of the Office of Strategic Services, made at least two trips to Europe to lay plans for the venture, which involved no bribing.

The flyer, Lt. Franciszek Jarewski, will probably be given the protection of formal recognition as a political refugee on next Monday, according to an announcement last night from the Danish Foreign Office.

Shortly after the young Pole dropped his prize on Western soil, the angry first secretary of the Polish legation at Copenhagen rushed pell mell to Bornholm to claim the plane.

Details Remain Secret
Meanwhile, air experts from the West calmly stripped the highly touted fighter plane of its vaunted secrets.

The Danish government indicated it would tell Poland next Monday it can come and get its no longer secret fighter plane.

Both Amoss and Lane refuse to reveal any details of the plot for fear of endangering those who helped.

Private financing was the only method through which the scheme could be accomplished, Amoss said, because it would be useless for obvious reasons to approach the U. S. government with such a plan.

ole school in America, as well as founding the Sisters of Charity.

Announce Retreat Dates
The various reports of the parish presidents revealed that each Sunday one of the parishes in the Deanery provides refreshments and hostesses for the U.S.O. center in Harrisburg. March 29 will be Regiment Day at the center and the Fairfield Parish will be in charge. Other projects include sending gifts for Christmas and birthdays to the orphans at Paradise Protective and Sylvan Heights; hundreds of bushels of fruit were sent by Buchanan Valley to the Protective also; the individual parishes hold a reception for the teaching sisters each year; the family rosary crusade has been taken up in each parish and all plan to continue their work with Civil Defense, especially as blood donors.

Materials for the making of cord rosaries was distributed by Mrs. Evelyn Chrismier. Mrs. George Haenn, Gettysburg, invited all parishes to the May 14 meeting of St. Francis Xavier Parish, Council, Gettysburg, when an illustrated lecture on Lourdes will be given.

The dates for the summer week-end retreats at Columbia were announced as follows: June 26 to 28; July 10 to 12; July 17 to 19; July 24 to 26; July 31 to Aug. 2 and August 21 to 23. The stage of the shrines, one in honor of the Blessed auditorium was flanked by two Mother and one in honor of St. Joseph and the Infant, decorated with flowers and fern. of an American railroad was the giant glass disc for the Mt. Palomar telescope. The fragile lens stood seventeen feet and seven inches above the rails, and presented a ticklish problem in bridge clearance.

The original specifications for the gigantic lens was 300 inches. When railway freight experts learned of this they warned the scientists that such a huge chunk of glass, standing twenty-five feet high, would be about eight feet too high to pass through the average bridge. For that reason the scientists reluctantly reduced the size of the lens to 200 inches.

County Basketball Officials Hold Annual Banquet; Elect Officers; Yovicsin Speaker

Thirty-two members, wives and guests attended the second annual dinner-meeting of the Adams County Chapter of Basketball Officials Saturday evening at Banker's Restaurant, Baltimore Road.

Johnny Yovicsin, Gettysburg College coach, was the guest speaker. During the business session Thomas Redcliff, Hanover, was elected president to succeed George Fair. Bernard Staub, McSherrystown, was re-elected vice president, and Chester Shriver was re-named secretary-treasurer.

It was announced a special meeting of the chapter will be held Sunday, March 29, at the Knights of Columbus hall, McSherrystown, when new bylaws are expected to be adopted which will provide for the use of more officials. All members are urged to attend the important meeting.

In his address Yovicsin outlined a five-point development stage in which coaches and officials participate in moulding high school athletes. He listed the points at intellectual, social, physical, emotional and spiritual.

Five-Point Development
Intellectually the athlete of today develops faster due to the speed-up of games which requires faster thinking and keen mental development of the participants, according to the speaker. From the social standpoint athletics provides certain moral and etiquette rules to be observed. Good training under supervision is one of the keys to the physical development. Athletes improve themselves emotionally by being taught self-control, learning to accept defeat and victory in the proper manner, and learn to overcome fear through the building of self confidence. Finally, said Yovicsin, the basic honesty and fair play found in athletic contests adds to the spiritual qualities of an athlete. Attorney Eugene R. Hartman presided as toastmaster. A turkey and sea food dinner was served.

MOUNTAINEERS LIST 16 TILTS FOR BASEBALL

A 16-game baseball schedule has been announced for the Mt. St. Mary's College squad.

The season will open Friday, April 10, when the Mountaineers meet Loyola at Baltimore.

For some time Coach Frank Apichella has been having his battery-men work out in the college gymnasium and as soon as weather conditions permit outdoor drills will be held regularly.

Among the veterans on the Mount squad are Captain Art Mace, Paul Clarke, Leo Green and Ward Clarke. Green and W. Clarke are pitchers.

The schedule follows: April 10, Loyola, away; 16, Washington, home; 18, Western Maryland, away; 20, Baltimore, home; 22, Catholic U., away; 23, American U., home; 27, Loyola, home; 29, Baltimore, away; 30, Shippensburg State Teachers College, home.

May 4, Gettysburg, home; 6, Washington, away; 8, Towson, home; 9, Catholic U., home; 11, American U., away; 12, Shippensburg, away, and 13, Western Maryland, home. The Mason-Dixon playoffs will open May 15.

BULLETS WILL RENEW SPRING GRID PRACTICE

Spring football practice at Gettysburg College will be resumed Tuesday after a lapse of one year.

Coach Johnny Yovicsin said today the decision was recently made to renew spring drills due to the football rules changes which will eliminate the platoon system in 1953.

Approximately 60 candidates are scheduled to attend the workouts. Equipment was to be issued to the candidates this afternoon.

Only three members of last fall's squad played on both the offense and defense. Ronnie Miller and Bill Weitzel both played offensive guard positions and filled defensive tackle posts.

The lone back who performed as a two-way man is Earl Yost. There will be 14 days of practice for the Bullet squad and the final drill is listed for April 10.

FAIRFIELD DOGS WIN

Two boxer dogs owned by Mrs. John A. Shultz, Fairfield, won prizes in a dog show of the National Capital Kennel Club at Washington, D. C., on Sunday. Abby-Gyas Barrister won first place in the novice class and Shultz's Yobang Trudy placed second in the puppy bitch class.

DETROIT TIGERS BEAT BRAVES IN EXHIBITION TILT

By ED CORRIGAN
AP Sports writer

They can't go any lower this year, so the Detroit Tigers, an inept crew last year, are looking in the only possible direction—upward.

They licked the Boston Braves yesterday, 9-6, on a couple of home runs in the ninth inning by Rufus Crawford and Johnny Bucha, each with one man on base. Newhouse and Ned Garver, who took over in the sixth, were tapped for 12 hits. Bill Bruton hit Newhouse's first pitch in the first inning for a home run.

The two World Series rivals, the New York Yankees and the Brooklyn Dodgers, went at it again in Miami, and Casey Stengel's men came out on top, 4-1, to take the odd game of a three-game set. Vic Raschi, Allie Reynolds and Ewell Blackwell, all making their first appearances, hand-cuffed the Braves.

Doby Beats Giants
The Cleveland Indians needed a home run from Larry Doby to score a 3-2 victory over the New York Giants. The big blow came off ace Giant right-hander Sal Maglie. He also yielded both other Cleveland tallies.

The Philadelphia A's, with rookies Ed Monahan, Bill Harrington and Ed Hrabecak toiling on the mound, whipped the Washington Senators, 7-1, in Orlando. The A's broke a 1-all deadlock with five runs in the seventh.

Bob Rush, top operative on the Chicago Cubs' pitching staff, gave up only one hit in five innings and got credit for an 8-3 decision over the Chicago White Sox. Joe Dobson was no great shakes for the Sox and was reached for seven hits in four innings.

With Stu Miller hurling six innings, the St. Louis Cardinals defeated the Philadelphia Phillies, 3-1, at St. Petersburg; while at Tampa, Ernie Nevel and Eddie Blake pitched the Cincinnati Reds to a 4-2 victory over the Boston Red Sox.

Sports In Brief

By The Associated Press

GOLF
ST. PETERSBURG, Fla.—E. J. (Dutch) Harrison shot a 66 to win the \$10,000 St. Petersburg Open with a record-tying 72-hole score of 266.

AUGUSTA, Ga.—Patty Berg won her fifth Women's Titleholders Tournament with a record-smashing 294 for 72 holes.

BASKETBALL
NEW YORK—Seton Hall defeated St. John's, 58-46, to win the National Invitation Tournament.

UNDATED—Louisiana State whipped Holy Cross, 81-73; Indiana set back Notre Dame, 79-66; Kansas downed Oklahoma A & M, 61-55; and Washington eliminated Santa Clara, 74-62, in the NCAA regional play-offs.

KANSAS CITY—Springfield State became the first team to win the National Intercollegiate (NAIA) title two straight years by turning back, three-time champion Hamline, 79-71.

TRACK
MILWAUKEE—Ken Wiesner of Great Lakes, Ill., set a new world indoor record in the high jump with a leap of 6 feet 9½ inches and Len Truex, formerly of Ohio State, ran the fastest mile of the indoor season, 4:07.8, at the Milwaukee Journal games.

Tech Halfback To Set New Records
ATLANTA, Ga. — Leon (Hardrock) Hardeman, star halfback on Georgia Tech's unbeaten football team, will be setting a new school record every time he scores a touchdown this fall.

Hardeman, although missing most of four games because of injuries, scored 54 points on nine touchdowns during the '52 season. In 1951 he tallied 8 touchdowns for 48 points. That's a total of 17 TDs and 102 points. The old records of 10 touchdowns and 88 total points were compiled by Bobby North (1947-50).

RALPH KINER TO PLAY WITH BUGS ON NEW TERMS

PALM SPRINGS, Calif. — Home run specialist Ralph Kiner, his traveling bags packed for days, headed for Havana today to join the Pittsburgh Pirates after a stormy holdout session.

Presumably concluding one of the most publicized holdout campaigns since the clamorous era of the late Babe Ruth, Kiner said he was booking airline passage to Cuba as soon as he could make it.

Late last night—30 minutes, in fact, before another ultimatum by General Manager Branch Rickey that he agree to terms—Kiner from his winter home here disclosed that he was ready to sign.

Takes A Cut
The terms, Kiner said, were almost exactly those he and Rickey agreed on at their meeting in Hollywood last Feb. 13. They call for Kiner to receive something under \$76,000, a cut he agreed upon from the \$90,000 he is supposed to have received last year.

Kiner was asked bluntly why he won the bitter, wordy, long range squabble.

"The only thing I ever held out for was what we originally agreed upon a month ago. Some of the things we agreed on at that time were withdrawn in the days that followed," said Ralph.

Wires Rickey
Kiner said he had sent the following wire to Rickey last night: "I accept the terms of your March 14 telegram and will report as soon as transportation is available. I am anxious to get to spring training and I am in good condition. I hope that I can in some way help the team get into the first division, and I hope to be with Pittsburgh the rest of my baseball career."

Rickey during the past few days had accused Kiner of trying to avoid spring training, and making what Rickey termed "ridiculous" demands.

Kiner "Floored"
Kiner replied that he could not understand most of Rickey's accusations. The player said he was "floored" by some of the things attributed to the general manager. Included: A Rickey charge that Kiner had insisted that "Greenberg Gardens" be retained at the Pittsburgh ball park.

"Such a matter as that never came up in any discussions I ever had with Mr. Rickey," Kiner said.

SETON HALL CAPS NIT TITLE

NEW YORK — The finals of the National Invitation Tournament in which Seton Hall defeated St. John's of Brooklyn, 58-46, came somewhat as a relief to those fans who prefer a well-knit defense to the helter skelter style that so often marks modern day basketball.

Offensively, Seton Hall's top-seeded Pirates did not play their usual fine game. And the Redmen from Brooklyn never could get going.

But the largest Madison Square Garden basketball turnout on record, 18,496, saw a tense struggle in which defense played a major role.

Lanky Walt Dukes who won the tournament's most-valuable player trophy and was named to the first all-star team by the Associated Press, led the scoring with 21 points and grabbed off 20 rebounds.

Named to the first team with Dukes were Richie Regan, also of Seton Hall; Dick Duckett, St. John's; Dick Ricketts, Duquesne; and Larry Costello, Niagara.

Duquesne took third place by defeating Manhattan, 81-71.

College Baseball Schedule Altered

Several changes have been announced in the Gettysburg College baseball schedule for the coming season.

The revised schedule follows: April 9, Lebanon Valley, home; 11, Elizabethtown, away; 13, Franklin and Marshall, home; 15, Johns Hopkins, away; 18, Muhlenberg, away; 21, Dickinson, home; 23, Penn State, away; 25, Temple, home.

May 2, Western Maryland, home; 4, Mt. St. Mary's, away; 6, Lehigh, home; 9, Dickinson, away; 12, Lafayette, home; 14, Bucknell, away; 16, Franklin and Marshall, away.

The game with Western Maryland may be switched to Westminster due to a request by the Terror officials.

PENN STATE WINS MAT TITLE AGAIN

PRINCETON, N. J. — The Eastern Intercollegiate Wrestling Championship went to Penn State for the third straight year Saturday night. The Nittany Lions had 31 points, six more than runner-up Cornell.

The winners retained two of their individual titles but lost a third when Cornell's Don Flick whipped Joe Lemyre, NCAA champ and defending EIWA titlist in the 167-pound bracket, in the semi-finals and went on to take the crown.

Dick Lemyre, Joe's brother, and Gerald Maurey were the Lions' winners. Dick held onto his 130-pound crown and Maurey his 137-pound title.

Frank Betucci of Cornell won his third straight 147-pound title, pinning Don Frey of Penn State in 4:39 of the final match.

Werner Seel, of Lehigh, won the heavyweight title.

Final team standings: Penn State 31, Cornell 25, Lehigh 22, Army 18, Syracuse 13, Navy 12, Brown 5, Harvard 5, Princeton 5, Franklin and Marshall 4, Temple 4, Columbia 3, Yale 3, Rutgers 2, Penn 0 and Virginia 0.

EXPECT OKAY ON BROWNS' SHIFT TO BALTIMORE

By JACK HAND

TAMPA, Fla. — The American League is expected to give Bill Veeck the green light today in his efforts to shift the St. Louis Browns franchise to Baltimore.

Lou Perini's plans to move the Boston Braves to Milwaukee will come up for vote Wednesday when the National League meets at St. Petersburg following an American Association meeting earlier the same day.

No solid resistance to either move appeared at yesterday's Executive Council meeting at Bel-air, Fla., where Commissioner Ford Frick held a preliminary hearing with officials of the four clubs and leagues involved.

Need International Nod
Approval by the American League at today's special meeting scheduled for 11:00 a.m. at Tampa would not bring major league ball to Baltimore officially. It would still require the sanction of the International League, which will meet within the next 48 hours, as soon as the scattered officials can get together.

Frick told both Veeck of the Browns and Lou Perini, president of the Braves, they must follow the established rules of procedure in their franchise shifts. He pointed out each move must have the approval of the major and minor leagues concerned.

While raising no objections to the proposed moves before the imminent 1953 season, he indicated he was not too happy about such major transactions at this late date.

To Require Fall Moves
Frick outlined a "get tough" program that would ban future major league franchise moves into minor league cities except between Oct. 1 and Dec. 1. The Executive Council will recommend such a policy at the joint meetings in July.

In the meantime, the Executive Council's decree will be in force. However, it will not effect the Browns and Braves dealings.

With the major league season open four weeks from today, there is little time to rush through the big changes-first in 50 years.

Both the American Association, which will lose Milwaukee, and the International League, which must give up Baltimore, will have to find new cities to round out their circuits.

WIN GYMNASIUM CROWN

WEST POINT, N. Y. — The Nittany Lions of Oenn State added another star to their gymnastic crown, winning the 26th annual individual championships of the Eastern Intercollegiate League.

The Lions carried off a total of 10 awards Saturday, including four of the seven titles, and three second place medals.

Penn State's Jean Cronstedt won first place in the all-around competition. State's other titlists include Bob Lawrence, side horse, and Jim Hazen, flying rings.

DEADLOCK IN NCAA PLAYOFFS TO BE BROKEN

KANSAS CITY, Mo. — The East-West deadlock for the National Collegiate Athletic Association's basketball supremacy will be broken in a pair of showdown double-headers here this week.

That's the only safe prediction for the 15th NCAA cage extravaganza involving Indiana and Louisiana State of the eastern section, and Kansas and Washington of the west in the playoff games in Municipal Auditorium tomorrow and Wednesday nights.

Semifinals Tuesday
There'll be a cleanup of family affairs for the contenders in the semifinals tomorrow.

Indiana (21-3), Big Ten champion, and Louisiana State (24-1), southeastern kingpin, will open the firing before a sellout crowd of about 10,500.

The Kansas Jayhawks (18-5), NCAA and Big Seven champs, and the Washington Huskies (29-2), Pacific Coast representative, will settle the western issue.

In consolation games at the four playoff sites Saturday, Pennsylvania raced over DePaul, 90-70, at Chicago; Wake Forest humbled Lebanon Valley, 91-71, at Raleigh; T. T. C. edged Oklahoma City University, 58-56, at Manhattan, and Seattle defeated Wyoming, 80-64, at Corvallis.

OUTSTANDING CONTESTANT

SYRACUSE, N. Y. — Penn State's Sam Marino was named the outstanding contestant in the Eastern Intercollegiate Boxing Tournament, won Saturday by Syracuse for the fifth straight year. Marino successfully defended his 125-pound title, decisively Tom Coulter of Syracuse. In winning the meet, Syracuse racked up a total of 55 points. Penn State was second with 53.

Pittsburgh Matmen Win "Four-I" Tourney

CLEVELAND — The 16th annual "Four-I" wrestling tourney was won by the University of Pittsburgh.

Pitt gathered in 38 points Saturday to win the meet. Toledo came in second with 31 points, followed by Kent State of Ohio with 17 and Lock Haven (Pa.) State Teachers College with 16.

In the intercollegiate semi-finals Saturday night, Hugh Peery, Pittsburgh, Gus Di Augustino, Lock Haven and Ed Lanzi, Toledo, successfully defended their titles in the 117, 137 and 160 pound classes, respectively.

Cagers To Play One Semi-final Game

HAZLETON, Pa. — Williamsport and Lancaster will play only one game, at Williamsport Saturday night, to decide their semi-final bracket in the Eastern Professional Basketball League President's Cup playoffs. The winner will meet the victor of the Sunbury-Berwick series in the finals next week.

Permission to play a single game instead of the best of three series was granted the teams when it developed that Lancaster could not have its full team available for Tuesday night, date set for opening of the series.

Berwick scored an upset win over Sunbury 80-59 in the opener of their semi-final series Friday.

A SWIMMING SWITCH

EAST LANSING, Mich. — Here's a switch that paid off. Free style swimmer Bert McLachlan set a new Michigan State 200-yard backstroke record in the recent Michigan dual meet. The senior swimmer switched to the backstroke for the first time in his college career and won in 2:14. This was a new meet and varsity record.

Finalists For Three State Cage Crowns Will Be Chosen In Big Contests This Week

HARRISBURG — The coming week—third of Pennsylvania's annual month-long schoolboy basketball playoff—will see all but a select few teams eliminated from the chase for three state championships.

The two larger classes of schools begin inter-district play tonight and tomorrow. Class C eliminations, for schools under 250 enrollment, have already reached the regional brackets with only six entries, including Jenkintown, the defending champ, left in the running.

New champions are due to be crowned March 27 and 28 in Pittsburgh and Philadelphia for Class B and A since the 1952 kingpins already are out of the race. Preliminary regional games to choose the two eastern and two western finalists in both top classes are on tap this Friday and Saturday.

In the A tourney, both the eastern and western favorites—Allentown of District 11 and Sharon of District 7—sit out the first inter-district round to enter the preliminary regional directly. The District 10 champion to be decided Wednesday between Meadville and Sharpville, also is in this class.

Right now 12 A teams over 500 enrollment including the two in District 10 are still eligible for Farrell's 1952 title. The B eliminations find 13 quintets remaining in the running with District 3 and 6 championships unsettled until Tuesday.

The Class C champ will come from among White Haven, Jenkintown, Harter, Waymart and Centre Hall and Fredonia, the two western finalists. The C championship game is to be played March 27 at a site to be selected depending on the two finalists.

After Saturday's games there will be four teams left in each of the three classes.

The tentative schedule for the week:

Class A

Tuesday—Old Forge (Dist. 2) vs. Coal Twp. (Dist. 4), at Lewisburg; Berlin (Dist. 5) vs. Johnstown (Dist. 6), at Altoona; Westinghouse (Dist. 8) vs. Bradford (Dist. 9), at Punxsutawney.

Wednesday—Yeadon (Dist. 1) vs. Harrisburg John Harris (Dist. 3), at Philadelphia; District 10 Championship, Meadville vs. Sharpville, at New Wilmington.

Saturday—Allentown (Dist. 11) vs. Old Forge-Coal Twp. winner, at Philadelphia; Sharon (Dist. 7) vs. Berlin-Johnstown winner, at Pittsburgh; Westinghouse-Bradford winner vs. Meadville-Sharpville winner, at New Wilmington.

Class B

Monday—Darby (Dist. 1) vs. Pine Grove (Dist. 11), at Norristown; Ashley (Dist. 2) vs. Montrose (Dist. 12), at Lancaster; Irwin (Dist. 7) vs. Forbes (Dist. 5), at McKeesport; Johnstown (Dist. 9) vs. Mercer (Dist. 10), at Kane.

Tuesday—District 3 championship, Boiling Springs vs. Kutztown, at Annville; District 6 championship, Crescon-Adams Twp. vs. Altoona.

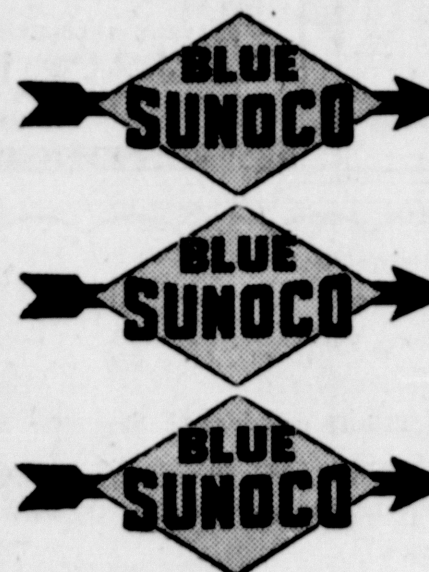

Friday—Boiling Springs-Kutztown winner vs. Darby-Pine Grove winner, either at Reading, Radnor or Allentown; Montoursville (Dist. 4), vs. Ashley-Montrose winner at Ikes-Barre; Irwin-Forbes winner vs. Crescon-Adams Twp. winner at McKeesport.

Class C

Wednesday—White Haven (Dist. 11) vs. Jenkintown (Dist. 1), at Collegeville or Slatington; Waymart (Dist. 10) vs. Harter (Dist. 2) at Wilkes-Barre.

Rooms Six
 Baths Two
 Closets Six
 Curb 20,800 ft.
 Dimensions 47'x26'

Measuring 47'x26' the "St. Paul" has a cubage of 20,800 feet. At least a 60 foot lot would be required, and, of course, an even larger one would set the house off to better advantage.

While a combination brick and clapboard exterior is used for the house in the illustration, you can use just about any type of exterior finish you might prefer. You'll find that brightly colored awnings, white trim and multi-colored roofing will add just the right decorative touch to the house.

The plain front entrance is reached by two steps; the small porch has iron grille work on either side. Four small, square glass panels decorate the top of the front door itself.

There is a small entry hall in the "St. Paul," but in a moderate-sized home such as this it would not be good home planning to utilize too much space for an entry way. However, the hall does contain a spacious coat closet that will come in handy both for hanging up visitors' wraps and also for storing your family's stormy weather apparel.

Living Room
 To the right off the hall is the 16'x13'4" living room which is well lighted by a large casement window, flanked by two smaller windows, in the front wall. One of the highlights of the room is the large fireplace in the left wall. If you wish you could easily install a bookcase just to the right of the fireplace.

The dining room or den opens off the living room. Measuring 10'x7'6", this room also is well lighted by a large picture window in the back wall. This window likewise is flanked by narrow casement windows. The large china closet in the right front corner of the room will come in very handy as a storage spot for your best chinaware, etc.

If you should decide to use the room as a den this space could easily be utilized for any other storage purpose desired.

To the left off the dining room is the all modern kitchen which measures 11'x8'. With the cabinets and counters arranged in a U-shape the sink is conveniently placed under the large window in the back wall. This is the most convenient and popular arrangement for not only does it insure plenty of light for the housewife while she is doing her dishes, but it also enables her to enjoy a view of her back yard; to keep an eye on the youngsters.

Laundry
 Besides the kitchen and in back of the garage is the laundry. Measuring 8' square this room is more than large enough to hold a complete automatic laundry. The door in the front wall opening on the hallway leading to the side entrance guarantees ready admittance to the yard whenever you want to hang out the family laundry.

There also is a door leading directly from this hallway to the garage so that the occupants of this house will be protected when going to or coming from the garage in stormy weather. The garage itself measures 20'x10' feet. There is a window in the left wall and plenty of room for storage in the convenient tool storage area in the right wall.

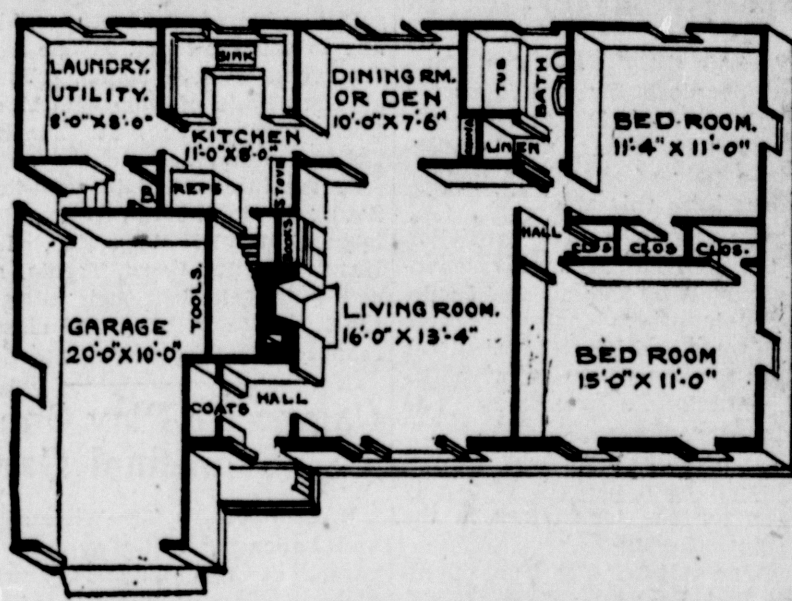

At the right end of the house is the sleeping section where all the bedrooms will be completely free from noises in the rest of the house.

Separating the dining room and den is the all modern bathroom. The back bedroom measures 11'x11' and has cross ventilation. The large closet will provide plenty of storage space.

The largest of the two bedrooms, the front bedroom, is 15'x11' in dimension and would probably be first choice as master bedroom. It also boasts cross ventilation and a large closet.

The third closet in this central storage area opens on the central hallway.

GROW EXTRA EARLY CARROTS

Among the many detrimental oddities of American eating habits is the idea that carrots belong chiefly to late fall and winter diets. Of course, when fresh fruits and vegetables diminish in supply after the growing season ends, human beings in northern latitudes must stress the consumption of such vitamin-rich and mineral-rich desirable vegetables as carrots. But by the same standard of values carrots should be included in spring and summer diets, in fact, every month in the year.

light frosts, carrots may and should be started as early in March as the soil can be made ready. Thereafter plantings should be made every two weeks to provide a continued supply of fresh young carrots for table use until late fall. Of course, the final planting in early August or late July should aim to produce an abundant crop to bury for all-winter consumption.

Carrot plants do not permit easy transplanting, hence seed should be sown directly in the row where the crop is to grow. From 20 to 30 seeds per foot of row are advisable to obtain a uniform stand of plants, with thinning later to allow two inches between plants to harvest at the delicious "baby" carrot size or three inches where the roots are to be left to grow larger.

The tiny seedlings are extremely fragile. This means that sand or fine compost should be mixed with the thin covering of soil in order to prevent formation of a soil crust over the row.

Carrots demand a mellow, fine loam entirely free from clods. Too, the soil should be safely al-

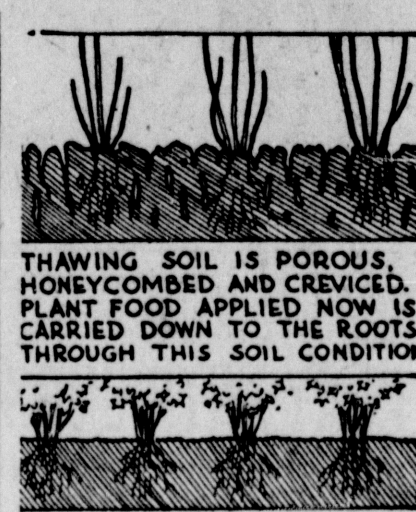

First Job Of Garden Year To Feed And Seed The Lawn

When the calendar says that spring is here, experienced gardeners put on sweaters, and rubbers if necessary, and go out even on muddy soil to perform the first two tasks of the planting season—applying plant food, and sowing grass seed.

Timing is of the essence, for these operations. Winter breaks up with messy mixture of freezing and thawing, snow and sunshine, and while these conditions make beginning gardeners stay indoors, the veterans know they are made to order for spreading plant food, and dropping lawn seed on the thin and bare spots.

When the ground thaws out after a freezing night, once the deep frost has been drawn out, the surface of the soil will be seen to have a honey-comb appearance. Tiny holes will be left in thawing soil, which shrinks as it thaws. Farmers sow oats on soil like this and say the seed "muds in." Grass seed finds its own cover, and plant food is carried by the draining water down to the roots of perennial plants.

Grass seeds do not need cover so much as lodgement. Too deep a soil covering may delay its germination seriously, because it needs sunlight for germination. But when sown on a smooth bare surface, it is easily washed off by a light shower, so that spot continues bare, while a good stand of grass appears on

the nearest low patch of open soil to which the seed was washed.

Seed finds lodgement in the honeycomb soil of early spring; later you will have to loosen up the bare spots before sowing, and cover the seed which you sow on thin places with a light top dressing of sand and sifted soil, to keep the seed in place.

Lawn grasses grow best in cool weather; and the young plants from your new seed have plenty of growing to do before they are subject to the ordeal of hot, dry weather, and seed bearing. The longer they can grow in cool, moist weather, the better they will survive the summer test. So the longer you wait, the less chance your new seed has to develop into vigorous, permanent grass plants.

Plant food spread now should be chiefly inorganic, the commercial plant foods as distinguished from manures. Organic materials are not made available to plants until temperatures of the soil rise above 70 degrees, but the chemical foods are available right away.

Always feed perennial borders at this season. There will be no danger of burning anything, and the food will find its way down to the roots without disturbing them. When the soil dries out, you will have to dig into it to get the food down where it is needed, and this beginning of the season, when they may be harmful to the plants.

Supreme Soviet Unanimously Confirms Georgi M. Malenkov

MOSCOW (AP) — The more than 1,000 members of the Supreme Soviet unanimously confirmed Georgi M. Malenkov as the Soviet Union's prime minister yesterday and loudly cheered his inaugural assertion that all "troublesome and unsolved" issues with the United States and other countries can be solved peacefully.

One foreign diplomat termed the speech to the nation's parliament by Joseph Stalin's successor "almost an offer to sit down with the United States and anyone else and try to ease the world's tensions."

Stress Peace Policy
"It could be one of the most important statements to be made in a very long while," another diplomat commented.

In Washington, officials of President Eisenhower's administration said they were studying Malenkov's words carefully but commented that the sincerity of any peace overtures would be shown better by action rather than words.

As in his funeral oration over Stalin's bier a week ago, Malenkov in his address to the Soviet delegates in the Kremlin's ancient Hall of St. Andrew again stressed a policy of peace.

One Brief Session
Not once did Malenkov refer to "warmongers" or to American "imperialists." Both these terms, formerly so widely applied to activities of U. S. leaders, have been absent from pronouncements of Soviet leaders and the Soviet press since Stalin's death.

The two legislative houses — the Soviet of the Union and Soviet of Nationalities — met for only one hour and seven minutes, then adjourned and headed for home. During the session they also confirmed the other members of Malenkov's regime named after Stalin's death and approved a sweeping government reorganization streamlining the previous 54 ministries down to only 26.

NAB 3 AFTER SPEEDY CHASE

ATLANTIC CITY, N. J. (AP) — Three men, captured by state police in rain-soaked woods near the Atlantic City Race Track after leading them on a wild 90-mile-an-hour chase, are being held on charges of reckless driving and auto larceny.

The trio allegedly stole, then abandoned, three cars in less than six hours.

More than a dozen state troopers took part in the capture yesterday of the three men, identified as Joseph Klopski, 27, and John Kuhl, 23, both of Philadelphia, and David Murphy, 23, of 327 North Yost St., Spring City, Pa.

Their arrest climaxed a hectic chase through South Jersey communities. Police said the trio decided early yesterday to come to Atlantic City, and stole a car in Mt. Ephraim. When the gas supply ran out, they abandoned the car, but picked up another in Rummeneide and a third in Hammonton.

After the trio's arrest, Murphy was quoted by police as saying the reason for the entire escapade was that they were "just trying to find a short way to heaven."

Assistant U. S. Atty. Resigns Position

LEWISBURG, Pa. (AP) — Charles W. Kalp, assistant U. S. attorney for the Middle District of Pennsylvania for six years, resigned that post today, effective April 15.

Kalp sent his letter of resignation to U. S. Atty. Gen. Herbert Brownell Jr. at Washington.

Kalp said he had no objection to the resignation becoming effective before that date if desired by Brownell and Joseph O. Kreder, acting U. S. attorney for the district.

Judge Albert L. Watson designated Kreder as acting U. S. attorney Saturday. He succeeded U. S. Attorney Arthur A. Maguire, who resigned the post last week to return to private law practice.

the forehead and left knee. Damage to the Kramer car was estimated at \$300; to the Swartz car at \$200, and to the Booth car at \$100.

In the other accident, police said Shirley R. Storm, 18, of Hanover, was driving north on Route 94, passed another car, got back in line of traffic and then ran into the rear of a car operated by Arhla W. Trish, 37, of Abbotstown R. 1 when the latter slowed down to make a left turn.

Nancy Trish, six, suffered a contusion of the left ankle, police said. Damage to the Storm car was estimated at \$250 and to the Trish car at \$75.

MUSTEROLE

MALENKOV IS TRYING HARD TO FILL JOE'S SHOES

By JAMES MARLOW
WASHINGTON (AP) — Malenkov may think this is a good time to make peace in Korea, or at least to talk about it.

That might have been his purpose at his rubber-stamp election in Moscow yesterday in saying: "There is . . . no question which cannot be settled by peaceful means."

He could not lose much by gestures about a Korean settlement, whether or not he was in earnest.

Even if he was against peace but talked peace he could, if the war continued, use it for propaganda, blaming the West.

A few dramatic moves that focused attention on him would be so much gravy for the comparatively unknown Malenkov who is suddenly trying to fill Stalin's big shoes as Soviet premier.

Malenkov will need years to capture the place Stalin held in the minds of the Russian people and the Communist leadership in the Red satellites countries.

Joe Was Inflated
The Russian Communist party for 29 years had built up Stalin as a kind of super genius and guardian of the flock.

Yet, in spite of such obvious Stalin successes as turning back Hitler's invading armies, keeping control of Russia and grabbing the satellites, he had some failures: Germany and Western Europe, in the first couple of chaotic years after the war, may have seemed within his grasp, but Communist influence in them at the time of his death was on the ebb.

Further, by starting the Korean War he drove the U. S. and Western Europe into alliance and rearmament. And the Chinese and North Korean Communists, who did the dying in Korea for Stalin, may have had some misgivings about that.

Could Soften West
If Malenkov could bring peace in Korea he might feel it would make him look cleverer than Stalin, at least among some of those who wanted peace in Korea.

At the same time a Korean settlement might soften up the West, slow down its rearmament and keep Western Germany from going into complete alliance with the Western Allies.

In addition Malenkov would have time to consolidate his control of Russia and the satellites. And time

This Fire Fan Was Too Enthusiastic

CHICAGO (AP) — "I'm a fire fan," said Charles Spuehler when police stopped him for speeding through a red light.

They believed him, too. Spuehler, a 50-year-old janitor, was dressed in a fire marshal's uniform. And his "fire engine red" sedan was equipped with extra lights and a siren.

He was charged with impersonating an emergency vehicle, passing a red light and speeding.

GIVE RED LINE A WIDE BERTH

HIGH WYCOMBE, England (AP) — The RAF Bomber Command will give communist-controlled territory a wide berth when it launches a gigantic six-day exercise over Western Germany and the continent at dusk today.

This was announced by Air Chief Marshal Sir Hugh P. Lloyd as the air crews made ready to take off. Sir Hugh said the planes, now as always, will not go within 30 miles of the line dividing East and West Germany.

They will not use the international corridor to Berlin.

This was described as a "business-as-usual" move by Sir Hugh. The plans for the operation were worked out before the recent incidents involving communist piloted planes and British and American aircraft.

Sir Hugh said the British bombers "will carry ammunition during the exercise as usual."

to do both is something he probably needs.

It is questionable, too, that with peace in Korea there would be as much enthusiasm for egging on, and helping, a Chinese Nationalist invasion of China from Formosa — since that might embroil the U. S. all over again in Far East fighting.

FINAL DAY FOR CANDIDATES TO FILE PETITIONS

HARRISBURG (AP) — The lists closed today for candidates seeking office at the May 19 primary election.

Elections bureaus in each of the 67 counties were receiving, until closing time, last-day petitions from candidates for city, borough and township offices.

At the state capitol there remained a possibility, right up to the 5 p. m. closing time, of a contest in one or both parties for the only statewide posts at stake this year, two judgeships of the Superior Court.

Organization-backed candidates for that \$25,000 post already had filed their petitions at the Election Bureau. They are Judge J. Colvin Wright, Bedford, and Judge Harold G. Erwin, Delaware County, Republicans, and Judge W. C. Sheely, Adams County, and Judge John I. Hook, Greene County, Democrats.

No Democratic Contest
Judge W. Walter Braham, of Lawrence County, had told reporters he planned to run for Superior Court on the Republican ticket, but until today had not filed his nominating petitions. There were indications the organization-backed Democratic candidates would be unopposed.

Thousands of county, city, borough and township officials across the state will be nominated at the May 19 primary. Principal interest centers in Pittsburgh, where Mayor David A. Lawrence, a Democrat, is seeking re-election.

Scranton, Pennsylvania's other second class city, also will elect its mayor this year as will some 20 third class cities.

Many municipalities throughout the state will vote in local option the question of referendum on sale of liquor and beer.

Set For New Atomic Test Tuesday On Yucca Flat

By BILL BECKER

ATOM BOMB SITE, Nev. (AP) — The little white house on the corner of Elm and Main Streets is due to take a fearful pounding tomorrow. And how it comes through may mean life or death to you in an atomic attack.

Fortunately, this house is not on the corner in your home town but in the middle of sprawling Yucca Flat.

Troops And Newsmen
There—as 1,000 troops and a group of 20 picked newsmen crouch in foxholes—the two-story frame and concrete structure will be put to a fiery atomic test.

It may or may not withstand the blast from a tower less than a mile and one-half away. A sister structure only 3,500 feet from the tower

is expected to be demolished.

It may be a "bomb" to the average man, but tomorrow's test object is still a "device" to Dr. Alvin C. Graves and his fellow scientists. He said neither a shell nor a bomb is being detonated. But the device, whatever its shape, will still pack a punch equivalent to 15,000 tons of TNT.

Use 19 Dummies
The troops and front-line newsmen will be dug in two miles south of the tower. The test houses—built to specifications of the average American home for the Federal Civil Defense Administration—lie east of ground zero.

If the surrounding area is not too hot, radioactively speaking, newsmen and civil defense officials may be able to find out how the Jones-

YANKEES WILL RETURN FIRE ON ATTACKING REDS

WIESBADEN, Germany (AP)—The U. S. Air Force in Europe made it plain today that its planes will fire back if attacked along the East-West border by the Soviets.

It said routine flying and patrolling of the borders in the U. S. Zone of Germany would continue without change "although instructions to the pilots as to the means they can use to protect themselves have been re-emphasized."

"This is taken to mean," an Air Force announcement said, "that if attacked, they should protect themselves and their aircraft by firing back."

The Air Force pointed out that its pilots are under long-standing orders "not to take aggressive action which could be construed as hostile, such as attacking unidentified aircraft without provocation, even though they were discovered over the U. S. zone."

Stay 10 Miles Away
The announcement came after two Allied planes, one American and the other British, were attacked during the week.

Pilots of NATO's Second Allied Tactical Airforce, based at Bad Eilsen, were ordered on Friday not to fly within 10 miles of the border. The British plane, a four-engine RAF bomber, was knocked out of the sky Thursday near Hamburg in North Germany. Six of the seven crewmen were reported killed. The other, injured, was under treatment in an East German hospital, the Soviet said.

A U. S. Thunderjet was shot down last Tuesday by two MIGs while on a flight in Bavaria near the Czech border. The pilot parachuted to safety.

DISTRIBUTORS, LIQUOR STORES UP TO VOTERS

HARRISBURG (AP)—For the first time in Pennsylvania history, voters this year will determine whether they want beer distributors or state liquor stores to do business in their communities.

The exact number of municipalities is still undetermined since March 20 is the deadline for filing petitions for wet or dry local options contests in the May 19 primary.

The new type of voting was authorized by the 1951 Legislature. The law authorizes voters in "dry" communities to decide if, in addition, they want to abandon beer distributors or liquor stores.

Previously, local elections were confined strictly to the question of allowing hotels, clubs and restaurants to serve liquor or beer.

711 Dry Areas
The State Liquor Control Board said 711 communities now are "dry." In only those municipalities can the question of whether they want also to bar beer distributors or liquor stores be taken up.

A board spokesman emphasized, however, that a vote to drive out beer distributors or liquor stores does not preclude delivery of beer to that community by a distributor who has his warehouse in another town.

Since 1934, some 1,254 communities have voted on the wet-dry issue.

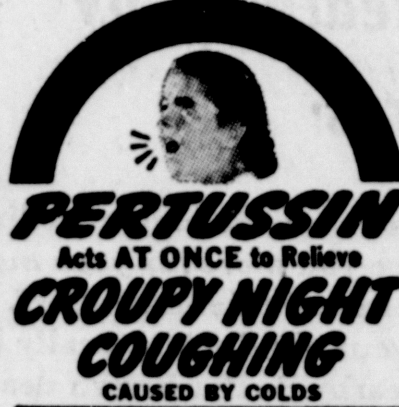

As a result eight per cent of the state's population is dry on either liquor or beer.

Yoshida Dissolves Japanese Parliament

TOKYO (AP)—Japan's rebellious Diet threw out the government of Prime Minister Shigeru Yoshida Saturday and immediately afterward the wily politician dissolved the Parliament and called for new national elections.

Yoshida's Liberal party holds a slim majority, 245 of 466 seats in the lower house.

But more than 20 members of two dissident factions inside his bickering Liberal party bolted to vote against him. Many other Liberals "boycotted" the vote.

Yoshida dissolved the Diet last Aug. 28. At that time the Prime Minister was struggling with Ichiro Hatoyama for leadership of the Liberal party.

Jap Premier Calls National Elections

TOKYO (AP)—Prime Minister Shigeru Yoshida and his political opponents are squared off for new national elections that will decide the fate of the little man who has led Japan for five years.

The stubborn, 74-year-old Premier, fighting for his political life, called the elections Saturday after the lower house of the Diet parliament passed a vote of nonconfidence in him.

Instead of resigning after the vote, as his opponents wanted, Yoshida dissolved the lower house and took his case squarely to the people.

He set a tentative date of April 19 for the balloting.

PERSISTENT GI FINDS HIS GAL

FRANKFURT, Germany (AP)—A romance that began under a tree in a rainstorm seven years ago neared a happy ending today as an American reporter celebrated an airport reunion here with the German girl he plans to marry within a week.

Harry Maitland, Chester, (Pa.) Times reporter, greeted his fiancée Ilse Bessling, with a big kiss when he stepped from a trans-Atlantic plane yesterday at Frankfurt's Rhine-Main Airport.

The last time they saw each other was in September, 1946, one day before Maitland, then a member of the U. S. Air Force at Wiesbaden, received a surprise order to return to the U. S. It was too late then to notify Miss Bessling, whom he had first met when he

rescued her with his jeep during a heavy January rainstorm. And, on the sea trip home, he discovered he had lost his wallet with her address.

For years, he virtually gave up hope of seeing her again. But last September, he sent a letter to five German newspapers with a picture of Miss Bessling enclosed. A reporter on a Wiesbaden newspaper traced her.

They plan to marry Friday.

BIG FUNERAL FOR GOTTWALD

VIENNA, Austria (AP)—A state funeral will be held in Prague Thursday for Klement Gottwald, President-dictator of Communist Czechoslovakia, who died suddenly on Saturday.

The Czech radio announced last night that all work will halt throughout Czechoslovakia for the opening five minutes of the services. Before the funeral, the broadcast said, the 56-year-old Red chief will lie in state in the Spanish Hall in Prague Castle.

The national observance for Gottwald will be a small-scale version of the elaborate Russian observance last week for his Communist comrade, Joseph Stalin. Gottwald attended the outdoor services for Stalin in freezing weather in the Soviet capital's Red Square—and there apparently caught the cold that developed into pneumonia with complications and resulted in his death.

Gottwald's place of burial was not announced.

Nor was there an announcement of the successor to Gottwald's dictatorial control over the Czech government, the all-powerful Communist party and the Army and police.

TV Coverage Of Atom Blast Starts At 8

LAS VEGAS, Nev. (AP)—Television coverage of tomorrow's atom bomb explosion will start at 8 a.m., eastern Standard Time, and be on the air for half an hour.

Participating in the nation-wide pooled telecast are three networks, ABC, CBS and NBC, and Los Angeles Paramount TV station KTLA.

Films of the bomb effects are scheduled for telecast at 4:30 p.m., EST, Tuesday. This also will be a half-hour program.

WASHINGTON (AP)—Because March 15 fell on Sunday this year, income taxpayers got an extra 24 hours in which to file their returns. The deadline is midnight tonight.

Returns are acceptable, without penalty, if mailed and postmarked before then.

She tries mighty hard to serve you the foods you like best. And she does such a good job, you just can't resist a second or third helping. So sometimes gas, sour stomach, acid indigestion may result. But Tums quickly solve the problem. For Tums quickly neutralize excess acid, almost before it starts. Contain no soda to over-alkalize or cause acid rebound. Eat 1 or 2 Tums after meals or whenever distress occurs. Always keep Tums handy, eat like candy. Get a roll today!

VALUABLE FRANCHISE AVAILABLE FROM NATIONAL ORGANIZATION

Requiring only SPARE TIME and Small Investment

NO COMPETITION—we hold pending patent rights. Initial investment of \$1,000 to \$5,000 required (fully secured). Thereafter, we will assist you with financing up to \$25,000 for expansion in a rapidly growing field. To qualify you must be over 35 years of age, permanently located in your community and be able to stand a rigid character and credit investigation. We completely establish the business for you and do the advertising. You have no rent, no overhead, and no employees.

Person selected will do no selling—needs no experience—just the honesty to give us a fair count in dividing our profits.

If you can qualify, write details, including address and phone no.

Have you tried the New TT* Dynaflo?

*Twin-Turbine — or, Terrific Take-Off!

We knew it was good from the moment we tried it.

But man!—you ought to hear the raves about Twin-Turbine Dynaflo Drive! from the people who've been trying and buying the new Buicks.

One word wraps up the whole story—sensational.

Have you tried it?

Have you pressed the pedal of a 1953 Buick with this new wonder drive and thrilled to the greatest getaway in all Buick history?

Have you felt the jet-like take-off that sweeps you from zero to 30 mph before you take two breaths—and in a perfect progression of complete and utter smoothness?

And have you discovered what else goes with this quieter, infinitely smooth, dazzling new getaway?

New luxury interiors, for one thing. And new braking power. And easier handling. And a still finer ride. And new record-high horsepower and compression in all models—with the world's newest V8 engine powering the ROADMASTER and SUPER.

But why miss a world of new thrills?

If you haven't yet sampled a new Buick with TT Dynaflo, we cordially invite you to do so—without obligation, of course. Can you drop in this week?

*Standard on Roadmaster, optional at extra cost on other Series. †Optional at extra cost on Roadmaster only.

ALLIES POUND RED RAIL YARD, SUPPLY ROUTE

SEOUL (AP) — Allied warplanes soared into the dawn today and plastered a rail yard deep in North-west Korea into a smoking, burning shambles.

Other U. S. fighter-bombers swarmed down on the supply route between Wonsan and Yangdok on the east coast. Pilots reported 26 Red trucks destroyed and 75 damaged.

Screening Sabre jets tangled with Communist MIG15s and shot down one, the U. S. Fifth Air Force reported.

F84 Thunderjets hit the rail yards at Chongju and set off a series of secondary explosions. At least 17 boxcars were destroyed. Chongju is on the west coast, about 60 miles from the Manchurian border.

No Major Engagements

Along the ground front, probing beams from Allied searchlights flushed Red infantrymen on two fronts just before daybreak and at least 50 Communists were chopped up in a hail of explosives from U. N. artillery.

No major engagements were reported but sharp local fights flared across the front.

Last night 18 B29 Superforts smashed at two Red supply centers near Pyongyang, the Red Korean capital, in the biggest Superfort raid of the month. Night-flying B29 Invader bombers prowled over Communist supply lines and destroyed 77 Red trucks. The invaders also blasted a big supply and personnel center near Hungnam on the north-east coast.

The U. S. Eighth Army reported Allied tanks and artillery ripped into Red positions with telling effect last week. A weekly report showed 845 Red bunkers destroyed or damaged and 740 Communist gun positions smashed.

WANTS PENNSY TO HAVE CHERRY BLOSSOM FLOAT

WASHINGTON (AP) — The Pennsylvania State Society of Washington is looking for someone to sponsor a cherry blossom float.

Mrs. Rosina L. Giacobbe, president of the society, said she was distressed that Pennsylvania, one of the most populous and wealthy states in the union, will not have a float for the capital's April 9 cherry blossom festival.

"Little Rhode Island and Delaware are going to have floats," she said. "In fact, just about everyone is except us. What's wrong with Pennsylvania?"

Society Has No Funds

She said the society hasn't the funds because it is a non-profit organization, and that thus far the group has had no luck in interesting anyone back home.

"Certainly some person, organization or industry in Pennsylvania should be in a position to be a sponsor," she said. "You're allowed to put some advertising on the float, which should make it worth while. After all, thousands of visitors come here to see the blossoms."

She said floats cost about \$500 up. Pennsylvania's cherry blossom queen this year is Peggy Ann Bower, a 20-year-old, blue-eyed blonde who was born in Bedford and raised in Johnstown.

She is working here as a physicians' technician while studying to be a fashion model.

Public Hearings On Economy Suggestions May Be Cancelled

HARRISBURG (AP) — A proposal was put before the General Assembly's economy committee today that would cancel public hearings on Chesterman Committee suggestions for reorganization of state government agencies.

The Chesterman Committee, through Gov. John S. Fine, submitted to the Legislature recommendations it said would eventually save the commonwealth 100 million dollars a biennium.

Aside from discussion of the Chesterman report, few developments were expected from this week's two-day session of the Legislature. Most of the top legislative leaders of both parties are in Nevada to witness the atomic bomb tests.

The value of the economy hearings, was questioned over the weekend. Rep. Adam T. Bower (R — Northumberland) and Sen. James S. Berger (R — Potter) said "as much could be accomplished on the floor by debate as has been accomplished by the hearings so far."

Chairman Won't Testify

The 30-member House-Senate economy committee set up to look into the Chesterman proposals invited Francis J. Chesterman, chairman of the survey committee, to appear before the assembly group to pinpoint the economy recommendations.

Chesterman declined, telling the legislators he felt "no useful purpose would be served by attending the hearings."

Bower and Berger are co-chairmen of the assembly committee looking into the year-long study of state agencies by the Chesterman Committee.

However, a final decision on whether to abandon the hearings was expected to be postponed until next week because of the absence of some leaders.

Bower declared that the hearings last Tuesday and Wednesday developed into a "political football." He emphasized, however, that the committee was "vitaly interested" in doing what it can toward carrying out the Chesterman recommendations.

Asks Savings Action

Maurice Spain Jr., Democratic state chairman, issued a weekend statement charging the Republicans with "a calculated campaign to debunk and discredit the findings of the Chesterman Committee."

However, he urged that in the future hearings state department heads come before the committee "armed with facts and figures to show how they can save money, instead of tedious arguments as to why they can't."

The committee plans four days of hearings this week opening tomorrow with a screening of the commonwealth's public education program. Later in the week they will take up proposals to merge The Banking and Insurance Departments and abolish the Internal Affairs Department.

Easter Seal contributions support 78 diagnostic and evaluation clinics for the handicapped tomorrow.

Harvard Receives \$3,507,417 In Gifts

CAMBRIDGE, Mass. (AP) — Harvard University authorities announced last night that \$3,507,417 was received in gifts in the last three months of 1952.

A large amount for the reorganization and expansion of the divinity school included \$50,000 from Jack F. Chrysler, \$25,406 from Amory Houghton and \$105,000 from David Rockefeller.

School authorities said the late Mrs. Thomas W. Lamont made a bequest in her will of \$250,000 contingent on the divinity school raising \$3,750,000.

William Henry Harrison saw the shortest service as President of any U.S. chief executive, dying after about a month in office.

Again... FORD'S V-8 "GO" steals the show!

This year, Ford's 110-h.p. high-compression V-8 is still the only V-8 in its field. What's more, Ford's 101-h.p. Six is the most modern high-compression Six in its field. And both Ford engines deliver their high-compression "Go" on regular gas, thanks to Ford's exclusive Automatic Power Pilot.

Ford's 2 great engines plus 3 great drives are just a hint at why Ford is America's "Worth More" car. Check all 41 of Ford's "Worth More" features and you'll agree, it's the new standard of the American road.

FORD CRESTMARK BODIES
They're stunningly styled—built to tomorrow's standards! They're seamless where you'd expect to find seams—specially insulated, specially finished. They're the best built bodies in Ford's field and they're built for keeps!

Worth more when you buy it... worth more when you sell it!
